Collection Description

Collection Overview

This collection consists of 128 letters and a few other items such as invitations, notes, and announcements collected by Lucy Sherman Clark. The majority of the letters are addressed to Lucy Clark Sherman, although some are addressed to Eli P. Clark or Moses H. Sherman. The bulk of the items date from 1875 to 1891 when the Clarks and Shermans lived in Prescott, Arizona.

Most of the letters to Lucy are from Eli P. Clark, both before and after their marriage in 1880. Eli wrote these letters to Lucy when he travelled to carry out his duties as Territorial Auditor and to operate saw mills in Walnut Grove, south of Prescott. These letters shed light on their relationship, business dealings, health, and travel. Lucy received other letters from family members, primarily her father, Enoch Sterling Sherman of West Rupert Vermont and her sister Kate Sherman. Her brother, Moses H. Sherman, wrote on occasions after he moved to Phoenix in 1884 and Los Angeles in 1890.

Arrangement Note

The collection is arranged in chronological order. Undated material is located following the dated items.
