About Sherman Library & Gardens

Sherman Library & Gardens is a non-profit that has been deeply rooted in Orange County, California for over half of a century, serving the community as a sanctuary and education beacon for history, horticulture, and the arts. Today, Sherman Library & Gardens is a monument to Haskell’s dream of an educational and cultural center including a premier botanical garden and outstanding research library. Sherman Library & Gardens was recently recognized by the Newport Beach City Council with a proclamation, naming Sherman Library & Gardens as the “Cultural Hub” of Corona del Mar.
